

## **E-MRS Fall Meeting 2005 and EXHIBITION**

**The European Materials Research Society (E-MRS)** is a non profit scientific association founded in 1983 which focuses on creating the synergy between interdisciplinary, innovative technologies, spreading and exchanging information and promoting technology transfer from public institutions to industry.

The primary objective of E-MRS is to promote and enhance the efficiency of research in Europe in the field of Advanced Materials. E-MRS seeks to quickly inform researchers of the scientific and technological developments in their field of interest from the rest of the world through the society's links with other MRS societies belonging to the International Union (IUMRS). In 2002 E-MRS decided to launch Fall Meetings in Warsaw in parallel to the well established Spring Meetings in Strasbourg. 3 Fall Meetings have already taken place, in 2002, 2003 and 2004 with a steadily increasing number of symposia and participants.

The Fall Meeting 2004 consisted of 9 Symposia and attracted 550 participants from 40 countries: Poland, Germany, France, Italy, Great Britain, Spain, USA, Japan, Russia, Canada, Israel, Ukraine, Lithuania, Latvia, Belarus, Romania, Netherlands, Switzerland, Finland, Sweden, Estonia, Denmark, Belgium, Austria, Ireland, Slovakia, Hungary, Czech Republic, Bulgaria, Portugal, Greece, Moldavia, Australia, RPA, Tunisia, North Korea, China, Taiwan, Iran and Kuwait .

### **E-MRS Fall Meeting Exhibition**

You are invited to participate in the Fall Meeting and exhibit, or demonstrate, your equipment and/or services at the Conference being held at Warsaw University of Technology, the largest technical university in Poland from 5<sup>th</sup>–9<sup>th</sup> September 2005. The E-MRS 2005 Fall Meeting

will include 9 symposia and 6 satellite events and is expected to attract well over 500 participants from all over the world. The exhibition is scheduled to coincide with the technical programme and will provide exhibitors with ample opportunity for in depth discussion or negotiation with participants.

Thus, participation in the exhibition will enable companies to make further contact with existing customers or clients and make new contacts with those engaged in interdisciplinary 'state of the art' research on behalf of industry at universities throughout the world.

The scope of the symposia being delivered at the conference, in addition to the Plenary Sessions and the Satellite Events are as follows:

**Symposium A:**

INDIUM NITRIDE AND INDIUM RICH RELATED ALLOYS: CHALLENGES AND OPPORTUNITIES

**Symposium B:**

MULTI-COMPONENT ALLOYS AND INTERMETALLIC COMPOUNDS FOR MAGNETIC APPLICATIONS AND NANOTECHNOLOGY

**Symposium C:**

SHAPE MEMORY MATERIALS FOR SMART SYSTEMS

**Symposium D:**

MAGNETOELECTRONICS

**Symposium E:**

HYBRID POLYMER SYSTEMS OF INDUSTRIAL IMPORTANCE

**Symposium F:**

INTERFACIAL PROCESSES AND PROPERTIES OF ADVANCED MATERIALS

**Symposium G:**

ADHESION IN BUILDING BONDS - MACRO-, MICRO- AND NANOSCALE

**Symposium H:**

FILLER METALS, SOLDERS AND JOINTS OF THE NEXT GENERATION

**Symposium I:**

HIGH PRESSURE TECHNOLOGY OF NANO-MATERIALS

**In order to participate in the exhibition please read the enclosed details and complete and send return the attached Application – Contract form as soon as possible.**

# APPLICATION FORM and CONTRACT

## E-MRS Fall Meeting 2004

Please complete this form and return it to:

## **Rules and Regulations**

### **1. Location, dates and hours**

The exhibition will be held from 5<sup>th</sup>-9<sup>th</sup> September 2005 and will coincide with the technical programme of the Meeting.

#### ***Location:***

The exhibition space will be located in the Main Hall of the Warsaw University of Technology. Address: Plac Politechniki 1, 00-661 Warsaw, Poland.

#### ***Hours:***

The exhibition hours are from 9am – 6pm, Monday, 5<sup>th</sup> to Thursday, 8<sup>th</sup> September and from 9am till noon on Friday, 9<sup>th</sup>. September.

Exhibitors are advised, however, to consult the technical program of the conference, available at: <http://www.e-mrs.org/meetings/fall2005/>, to assess when the larger number of visitors to the exhibition can be expected.

### **2. Arrangements of exhibits**

The receipt of a completed application form and full payment in advance is required for a company to participate in the exhibition.

WUT reserves the right to cancel the contract with Exhibitor without presenting reasons 30 days before the date of the exhibition when all fees would be returned.

The exhibition stand is designated only for the particular Exhibitor or its representatives. Any changes concerning the company presenting its exhibits will only be with the written agreement of the organisers.

WUT reserves the right to determine the final location of the Exhibitor. Exhibitors agree to arrange their exhibits so as not to obstruct the general view or to conceal other exhibits. Any decoration of the booth or publicity materials must be realized with non-inflammable or fireproofed materials.

### **3. Installation and dismantling**

The arrangement of the booths will be organised by the WUT. The exhibitors will be informed of the exact location of their boots one week before the exhibition start. The boots will be available for exhibitors from 7am on Monday, September the 5<sup>th</sup>.

All transportation costs, and other costs related to the exhibit set-up not explicitly offered above by E-MRS, are to be paid by Exhibitor.

Dismantling the booth: Friday, September 9<sup>th</sup>, by 5pm. All exhibited material should be removed by this time. Exhibitors are required to leave their booth in its initial condition.. Any repair costs will be invoiced to the exhibiting company.

### **4. Maintenance of exhibits**

The cleaning of the exhibition **is not** included in the fees. Guarding of the Exhibition will be undertaken by the security staff of Warsaw University of Technology at no charge.

The exhibitors are advised to insure their exhibited equipment as WUT will not be liable of any damage or theft that might occur.

## 5. Exhibitor registration

Exhibitor badges include admission to the Exhibit Hall and gives entitlement to refreshments during coffee breaks. Personnel with exhibiting companies (max. 3 persons) may attend presentations in the technical sessions (if you intend to present a paper you **must register** separately for the meeting as a conference participant). The registration fee also includes 1 copy of the Conference Programme and Book of Abstracts per company.

## 6. Cancellation

In case of cancellation by the company, 70% of the booth rental will be refunded on *written confirmation of cancellation not less than 14 days before the exhibition*. No refund can be made for cancellations made less than 14 days before the opening of the Conference.

## 7. Advertising matter

Leaflets and various technical documentations can be distributed to the participants:

Option 1: Display on a table next to registration desk 60 EUR (VAT included)

Option 2: Included in the conference pack 200 EUR (VAT included)

We would ask companies who wish to use this possibility to take charge of all technical and financial formalities with respect to transfer of the material which has to reach us at least 3 weeks before starting of the Conference.
